#### **ANNOUNCEMENT**

We are proud to announce that Deputy Fire Marshal Campbell has successfully completed the process of professional designation as “Fire Marshal”. According to the National Fire Protection Association, there are 1.15 million firefighters in the United States. Per the Center for Public Safety Excellence (CPSE) 2019 annual report, there are only 166 Fire Marshal Designees serving in the United States, Canada, and 48 additional nations across the globe.

We are also proud to announce that Executive Assistant Fire Chief Martin has successfully completed the process of professional designation as “Chief Fire Officer” (CFO). According to the National Fire Protection Association there are approximately 150,000 Chief Officers in the United States. There are only 1,444 Chief Fire Officer Designees serving in the United States, Canada, and 48 additional nations across the globe.

Achieving these designations signifies Deputy Fire Marshal Campbell’s and Executive Assistant Fire Chief Martin’s commitment to their community and the Fort Myers Beach Fire Department.

#### **HISTORY**

The Commission on Professional Credentialing (CPC), an entity of the Center for Public Safety Excellence, Inc. (CPSE) administers the Designation Program. The CPC consists of individuals from academia, federal and local government, and the fire and emergency medical services profession.
